Today we fast forward from Moses to Joshua and a new generation of Israelites preparing to cross the floodwaters of the Jordan River into the Promised Land. The lesson shows that God keeps his promises. Students learn that they can trust God to lead them from sin and death to new life. To follow up on today’s lesson, we can think about ways we remember Jesus’ love for us.

*The LORD will do the thing that He has promised.
2 Kings 20:9*
